Travel options

There are two options for travelling from the airport:

- Taxi – A large taxi rank is available directly outside both the international and domestic terminals. You simply need to stand in line and tell the taxi driver your drop-off address when you get into the car. All taxis are metered. A trip from the airport to St Lucia will cost approximately $50.00

- Public transport – There is a train from both the domestic and international airport to the city centre where there are a range of public transport options available. You can use the Translink journey planner at www.translink.com.au to find out the best public transport route from the airport to your address. Enter ‘Airport – domestic’ or ‘Airport – international’ in the suburb, landmark or station field of the From section, and your address in the To section. A typical trip from the airport to St Lucia would comprise of a train trip from the airport to the centre of Brisbane, then a bus trip to St Lucia. Travelling time would be approximately one hour and the fare would be approximately $25.00
